Brexit domino effect: EU braced for bombshell France exit as plot emerges

Brexit domino effect: EU braced for bombshell France exit as plot emerges

BREXIT has appeared to spark those wishing to leave the EU in France into action, after a campaigner exclusively told Express.co.uk of a plot to see the country exit the bloc.

Frexit champion warns France could follow UK out of bloc after Brexit

Frexit champion warns France could follow UK out of bloc after Brexit

FREXIT campaigner Charles-Henri Gallios argued France must follow Britain's lead and cut ties with the European Union.
